
Notice to Mariners – 17th Feb 2025

All offshore activities discussed in previous notice to mariners being conducted by Outer Dowsing Offshore Wind (a joint venture between TotalEnergies, Corio Generation and Gulf Energy) have now been completed.

No offshore operations are planned within the area below or elsewhere for the project in the next month.

The next offshore operations planned for the Project are due to commence on 1 May 2025, detailed updates will be given from approximately 1 month before the operation.

Offshore Wind Farm Area (refer to Figure 1)
