

Notice to Mariners – 28th Nov 2025

Onshore Fluvial (River) Uncrewed Surface Vehicle (USV) Survey 2025

This activity was completed on the 15th November 2025. All survey vessels have left the area.

All offshore activities discussed in previous notice to mariners being conducted by Outer Dowsing Offshore Wind (a joint venture between TotalEnergies, Corio Generation and Gulf Energy) have now been completed for the time being.

No offshore operations are planned within the area below or elsewhere for the project in the next month.
